Captain Paul was born in the UK but was raised all over the globe. From living in South Korea to the Devon countryside, his fascination with travel and other cultures began quite early on. When his family settled in Brixham, Paul and his father bonded through sailing. Soon that hobby became a passion and that passion became a career. In 2015, Paul broke free of his life in England as a hotel manager and sailed across the Atlantic. With a group of three others, he sailed from the Canary Islands and landed in the Southern Caribbean where his sailing career took off and eventually led him back to Europe aboard Wonderland.

While living in New York City, Chef Lexy had a career in event planning and marketing which she continued when she relocated to St. Vincent & the Grenadines. After a year behind the desk and the sea right outside her office door, Lexy quit her 9-5 to pursue a career as a yoga instructor teaching group classes and leading yoga retreats in the Caribbean and beyond. As your chef, each dish Lexy makes fuses luscious local flavors with global inspiration and is truly prepared with love. Some of the best memories are shared around a table with good wine, good food, and good company!
